## Access to Camera

The application uses device camera for capturing images of Slip.

## Access to Storage

The application uses storage space to store images captured by CMS Connect.

## APP Privacy Policy

---

### **Does the Application collect precise real time location information of the device?**

No, the application does not collect precise real time location information of the device.

### **Data Security**

CMS Connect Mobile Application uses generally accepted standards of technology and operational security in order to protect collected personally-identifiable information from loss, misuse, alteration, or destruction. Only authorized vendor and/or authorized personnel of CMS Info Systems Limited are provided access to collected personally-identifiable information, and the aforesaid authorized vendor and/or authorized personnel are required to treat this information as confidential at all times from unauthorized or unlawfully processing of any data and to protect the same against any accidental loss, destruction, damage as well as not to process or transfer any data within and/or outside India without prior written consent of CMS Info Systems Limited. Further, the said authorized vendor and/or authorized personnel shall at all times abide by applicable privacy policies, rules and regulations in force from time to time. Despite these precautions, no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security. CMS Info Systems Limited cannot guarantee that unauthorized persons will not/cannot obtain access to your collected personally-identifiable information through CMS Connect Mobile Application.

### **Consent**

By using CMS Connect Mobile Application, you consent to the collection, use, and storage of your Personally Identifiable Information (PII) by us in the manner described in this Privacy Policy and elsewhere on the CMS Connect.

### **Changes to Privacy Policy**

We reserve the right to make changes to this Privacy Policy from time to time which will automatically reflect on the CMS Connect Mobile Application. You may periodically visit the Privacy Policy page on the CMS Connect Mobile Application to see the latest policies in force.
